Dining Regulations

Kern County is still in the Purple Tier Zone for COVID-19. This means that we are still closed for inside dining, unfortunately.

All guests must wear masks into the clubhouse. If you do not have a mask, you will be asked to leave and get a mask. Staff will be gloved and wearing masks for your safety.

Thursday Night Dinner Specials

If you haven't tried one of Chef Mike's

Thursday Night Dinner Specials, you are missing out! Each week, he creates a unique special that is available for take-out. All specials are \$9.99.

Kern Transit Seeking Feedback

Kern Transit is once again asking for public comments on “un-met transit needs here on the mountain.” This is a good chance to give feedback, good or bad, on riding the local buses in the mountain communities and/or riding the commuter bus to Bakersfield or Santa Clarita. For the past year, service has been limited due to COVID-19. Our local fixed route bus was replaced by Dial-a-Ride service six days a week. How did using Dial-a-Ride work for you? How could bus service be improved in the mountain communities? What changes would you like to see, if any, when the pandemic is over? You can give your feedback by phone, mail, email, internet or social media. The deadline for submitting comments is March 15th at 5pm.

Happy 50th Birthday PMC!

As part of an ongoing celebration of **Pine Mountain Club's 50th birthday** this year, we will continue to recognize the people, places and events that make our community special with stories, history and other information in the Condor newsletter. We hope to celebrate with an event this summer, but in the meantime, we'll mark the occasion with fun stories and information. Do you have a story or memory about the early days of Pine Mountain Club? Or is there an event or experience you've had here that you'd like to share in honor of this momentous year? We'd like to hear about it! Please email your stories to us for publication in the Condor over the next year. Email details or stories to rwilde@pmcpoa.com. Thank you! We will look forward to your submissions.

Defensible Space Webinar
