**Come Join Us!**

The PMC community has always pulled together to assist one another in times of emergency.

To improve our Emergency Preparedness Committee's efforts, PMCPOA is starting a **Radio Safety Net** (RSN). This will link volunteers across PMC, who monitor situations in their own neighborhoods and exchange critical information with fellow RSN members, Patrol, and local agencies. When other communication lines are down, this system is a vital lifeline.

***We are recruiting volunteers throughout PMC right now!*** We will teach you everything you need to know about obtaining, setting up, and using specified radios [FRS and GMRS] to help keep our community connected.
