### Low-Risk Halloween Ideas

The CDC offers these lower-risk activities as safe alternatives to Halloween trick-or-treating:

- \*Carving or decorating pumpkins with members of your household and displaying them
- \*Carving or decorating pumpkins outside, at a safe distance, with neighbors or friends
- \*Decorating your house, apartment or living space
- \*Doing a Halloween scavenger hunt where children are given lists of Halloween-themed things to look for while they walk outdoors from house to house admiring Halloween decorations at a distance
- \*Having a virtual Halloween costume contest
- \*Having a Halloween movie night with people you live with
- \*Having a scavenger hunt-style trick-or-treat search with your household members in or around your home rather than going house to house
- \*Do not use a costume mask as a substitute for a cloth mask unless it is made of two or more layers of breathable fabric that covers your mouth and nose and doesn't leave gaps around your face.
